SENSIMAR

Resort and Spa Koh Samui

JUST THE TWO OF US

Our Just the Two of Us concept creates the perfect atmosphere for a Honeymoon or romantic break in Thailand. We simply help you unwind in a welcoming environment, and leave you in peace to make your own personal and loving moments together.

LIFESTYLE

To help your body stay as relaxed and well-cared-for as your mind, pay a visit to the fully-equipped gym, join one of our many daily fitness programs or our beach and rooftop Yoga classes.

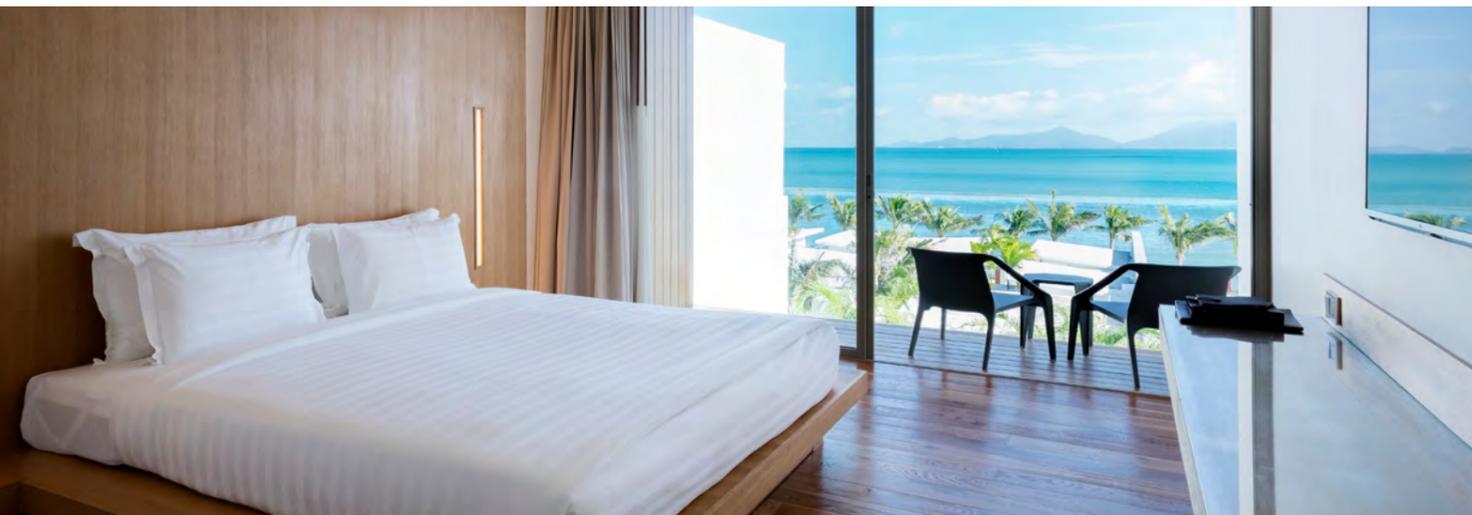

FACILITIES UNIQUE IN DESIGN

Minimalist in design the architecture stands to highlight and contrast the tropical gardens and ocean scenery, flowing through to provide a 40m long infinity pool with swim-up pool-bar, an open air beachfront restaurant and a cool indoor ac-lounge bar.

125 luxurious rooms and villas, each designed to provide simple comfort. All boast either prime sea views over the Gulf of Thailand or offer the added luxury of a private pool or outdoor spa bath.

THE LOUNGE

As a warm up for dinner or even just to enjoy a more refined evening of indulgence, take time in our fully air-conditioned Lounge Bar, where we offer a wide range of wines, luxury spirits and a selection of international high class beers.

ZENSE SPA

To ensure the very best of service we have partnered with Zense SPA, one of the most reputable spas in Koh Samui to provide our own spa and wellness centre. Zense Spa at Sensimar Koh Samui is the ideal way to pamper and restore every part of your mind, body and soul.
